

CATTLE CALL [LEAFLET]

The Haun family would like to produce a new leaflet in order to better advertise for their Fredonia sale barn. You work for KS Marketing, a Kansas-based multi-faceted advertising company, who was given this task.

In your **leaflet** you should:

- outline the history of the Fredonia sale barn
- present the members of the Haun family
- report how the local community benefits
- praise the food you get at the restaurant

Divide your leaflet into **sections** and give them **headings**. Use **pictures** from the internet to make it look attractive. Write about **250 words**.
