a) Students' Programme

Students with at least some acquaintance with Homeric/Ancient Greek will have the opportunity to improve their knowledge of Homer's poems and their historical context on Homer's homeland!

- Students will attend their lectures and lessons mainly at the Homerion Cultural Centre in Chios (and in different places on the excursion days).
- The programme will be directed by **Dr. Astrid Eitel** (CH).
- The program will revolve around the reading of Homer, *Iliad*, 2. Included in these classes will be discussions of the *Iliad* as rooted within an Oral Tradition: The Role of the Bard, the Invocation of the Muse, Repetition and Formula. Mythological aspects will not be ignored in terms of the roles and attributes of the Greek Gods in the *Iliad*. Specifically, their interventions in human affairs and epiphanies, as well as their relationships with individual Heroes.

- It will also include lectures and seminars on Homeric topics, Mycenaean and Trojan archaeology, as well as Greek/Chian epigraphy and history.
- Lessons and lectures will be conducted in English.
- The programme also contains educational tours and visits together with the participants of the other sessions.

N.B. A text of *Iliad*, 2 and vocabulary notes will be sent in advance by e-mail to students who will be attending the Academia HomERICA and have sent their e-mail address to Dr. Astrid Eitel (astrid.eitel@gmail.com). Students should bring printed copies of these with them to Greece. It will be useful if they also bring with them a translation of the *Iliad* into their own language.

b) Scholars' / Hellenists' Session

Scholars and Hellenists can attend the programme of lectures on the theme ***Homer in the World***. Lectures will be given by Members of Academies, Professors of Universities, and others, principally in Modern Greek (possibly with English summaries), but also in English, French or in any other language provided that an English summary can be handed out.

Some general lectures will be common to all participants.

The programme also contains educational tours and visits together with the participants of the other sessions.

N.B. Participants who wish to give a lecture in the Scholars' / Hellenists' Programme are kindly requested to communicate the topic and the language in which it will be given to Dr. Maria-Eleftheria Giatrakou. They must also send an English summary of the lecture to be photocopied and handed out, and a brief CV.

c) Modern Greek Programme

This programme will be devoted to **Modern Greek language**, with intensive courses morning and afternoon, under the direction of qualified professors.

All participants of this session will participate with the other ones in educational tours and visits as well.
